INSURANCE COMMISSION ADVISORY

TO : ALL NON-LIFE INSURANCE COMPANIES

SUBJECT : IC-LTO-GSIS-PIRA-OICP Simultaneous Implementation of the IC eCTPL API Gateway

The IC Electronic Compulsory Third Party Liability (eCTPL) Application Programming Interface (API) Gateway will be fully implemented and used simultaneously by the Insurance Commission (IC), Land Transportation Office (LTO), Government Service Insurance System (GSIS), Philippine Insurers and Reinsurers Association (PIRA) System, and Organization of Insurance Companies of the Philippines (OICP) System by 02 May 2022, 11:00PM. This API Gateway would be used for the online authentication and validation of Certificate of Coverage as part of the LTO's Land Transportation Management System (LTMS) Online Portal.

Please be guided accordingly. Thank you
