## NOTICE TO THE PUBLIC

Notice is hereby given to the Public of the on-going final liquidation proceedings of **Rhine Plans Corporation (RPC)**.

The Insurance Commission (IC) had previously caused the publication of Notice to the Public requiring all parties having claims against RPC to file their claims not later than 22 May 2014. A final notice of liquidation was published on 31 August 2023 giving claimants **until 30 September 2023 to file their claims**.

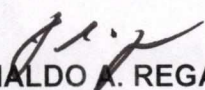

Considering the long duration of the liquidation proceedings of RPI and the deadline for filing of claims against RPI has lapsed on **30 September 2023**, as published in the said Final Notice of Liquidation, the **Insurance Commission (IC)** in accordance with its issued Directive dated 29 JANUARY 2024 has ordered the liquidation proceedings of **RPI CLOSED AND TERMINATED**. This notwithstanding, the distribution of claims shall now commence.

To distribute RPI's available and distributable trust fund assets to its planholders and claimants, the IC has designated **Mr. BRIEN GREGORY M. REYES** as **Distribution Officer (DO)** of the company.

All concerned and interested claimants may visit the Insurance Commission's website: <https://www.insurance.gov.ph> for any subsequent announcements. Claimants are advised to inquire first on the amount of their check so they can determine the most practical, efficient, and economical alternative means of receiving their checks. All communications with regard to any inquiries, complaints and/or other similar correspondence shall be addressed either personally or by mail, directly to the office of this Commission's Conservatorship, Receivership and Liquidation Division with office address at 1071 United Nations Avenue, Manila or you may send an e-mail at [crl@insurance.gov.ph](mailto:crl@insurance.gov.ph) or thru their telephone numbers: **(02) 83540991 or (02) 85238461 local 105**.

**SO ORDERED.**

City of Manila, 29 JANUARY 2024
